A REPLY TO MR. DELLANEY. Messrs Editors: I notice in your paper of February 17 a reply from our amount we lise manifested in the reply to him. Mr. Dellaney, you inexorable decree of an omnipotant seem to think I am quite ignorant as tribunal. From that decree there is to whom the Board elected attorney. must be relinquished. The tender I know they did elect O. W. Buchanan, mother cries passionately for her first Miss Lilla, who will assist him in se- J. C. Caldwell, 85; Q. D. Williford, and I think him gentleman enough to born, but there is elemency. With acknowledge he was a strong advocate the disappearance of man from earth of Tillman. As to what I know about The palaces, towers and temples he York, widow of the late Dr. Edwin P. T. Matthews, 77. The four gentle. | the poor house you have acknowledged | has reared, the institutions he has esmen first named being elected. There to the same. As to corn you found tablished, the cities he has built, the January, 1891, you say there were five hundred bushels, seventy-five of has formulated—all science, art, literathat being made by Cameron. This is ture and knowledge will be obliterated not correct. How could there be five and engulfed in empty and vacant hundred bushels, when you already in your first statement said Deitz only claims him, for then he embarks for made three hundred and thirty. I that better state which lies beyond the would like to get some of that corn grave. for seed which grows after cribbing. How can you be right each time when you say one thing one time and arranged to stay another the next time. Can you tell Winnsboro one more why Jones took mules and hands to up to and including April 25, '92. * the field for three days but only

plowed one mule one day? As for the sow and pigs you say, "we" permitted Jones to bring there to raise on shares. Whom do you mean by we? As the Board did not give him permission, they went all the same and all except two disappeared some way. You must have thought the "razer backs" a good breed judging from the way you were trying to raise razor-backs. You had in January, '92, twelve or fifteen sows two years old or over and nine boars from two years

Messrs. Editors: As you have some old and down and but one so-called can you improve the razor backs when this is the case, for I have been there Our Normal work this year, thus and did the work on these same hogs. Yes, I did say Deitz left twelve hundred pounds of meat, but did not say what amount you found there any eral deportment has been better; and time after. The razor back must general standing has been higher. Our have eaten that immense quantity of prove it), for they do not look like the

same hogs they did in 1890. It may seem strange to you that all the censure (you say) that is heaped upon Jones comes from this quarter of the County. You would never have heard a word from me concerning Jones had you given facts as they were about Deitz in your first reply As for me trying to make a hallelujah shout I did not try or I would have told about the feeding of the hogs, plowing the mules, tending the wagon, renting the house, selling the eggs. as I know he must have sold one hundred dozen to one man, not putting the hogs up to fatten last fall when told, taking off one of the paupers, etc., for

which you are more to blame than No wonder you did not wish the Board to give the facts as they were when they wanted to do so, in reply to Reform. Now is this your Reform? What think you of Straightouts now?

Yours, &c., A. J. Boyd. March 26, 1892.
